one of America's leading experts on Dyslexia!

# Dyslexia: Symptoms & Solutions

Just  
\$49.95

Now, Susan Barton's most popular 3-hour presentation is available on DVD. Don't miss it!

If you want to learn more about dyslexia and how it can be overcome, Susan Barton's dynamic, information-packed new DVD is for you. Filmed before a live audience, Susan's lively and captivating presentation provides insights, knowledge, techniques, and inspiration you just can't find anywhere else!

## Here's just some of what you'll learn...

- ✓ Symptoms of mild dyslexia in adults
- ✓ Inheritance patterns and the genetic link
- ✓ The classic warning signs in children
- ✓ Spelling and its relationship to dyslexia
- ✓ Why dyslexic children "hit the wall" in reading by third grade
- ✓ Why most schools don't test for dyslexia—and most dyslexic children will not qualify for special ed
- ✓ How to find a qualified tester—and get an accurate diagnosis
- ✓ Research-based "best practices" to improve spelling, reading, and writing
- ✓ Why tutoring alone is not enough

And much more, including the latest scientific, replicated research conducted at leading universities, and by the National Institutes of Health.

## Meet Susan Barton

Susan Barton is an internationally recognized expert in the fields of Dyslexia and AD/HD. She is in demand

as a speaker at conferences throughout North America and teaches at the graduate and undergraduate level at several leading universities.

In 1998, Susan founded Bright Solutions. Her mission is to raise awareness of Dyslexia and AD/HD by educating parents, teachers, and other professionals by sharing the

latest research in parent-friendly language. Susan's passion, enthusiasm, and ability to explain complex issues in easy-to-understand language makes this 3-hour presentation a life-changing experience.

### Susan Barton's presentations earn rave reviews like these.

“ I wish I had learned this in my Master's Program.  
*Darlene Roswell, CA*

Thank you. You are responsible for leading us in the right direction for our son.  
*Diane Orwell, IL*

You are an inspiration to so many people. I can hardly wait to go home and share this with my husband!  
*Cindy Brook, WI*

The best educational workshop I've been to in ages.  
*Harriet Wingard, OR*

This validates my concerns about my daughter and several of my students.  
*Jennifer Reilly, FL*

Just hearing you acknowledge what I have felt and lived with my whole life lifted a huge weight off my shoulders. I shared your information with my son. He agreed that it is nice to finally be understood.  
*Debbie Smith, AZ*

Excellent presentation. It really got me thinking about individual students who are struggling.  
*Beth Mitchell, IA*

I got really revved up after hearing Susan Barton speak. I am frustrated at how little I and all my colleagues know about dyslexia despite the fact that I have teaching certification in English and Special Education, as well as a Masters Degree in Special Education.  
*Martha Hanawalt, CO*

I can't say enough about how great this was!  
*Peggie Evans, CA*

**Yes**, I want to purchase “Dyslexia: Symptoms & Solutions” for the special introductory price . . . . . \$49.95
