**“Could it be Dyslexia?”** . . . . . **\$69.95**

In this 40-minute video, you'll learn what dyslexia is: the research-based definition; the cause of dyslexia based upon the latest research from the National Institutes of Health; and the unique warning signs of dyslexia in preschoolers, in a child's early school years, in high school students and in adults.

**“Dyslexia: Testing & Teaching”** . . . . . **\$69.95**

In this one hour video, you'll learn which tests should be used to detect dyslexia, who should do the testing—and who should not; which reading programs to use—and which ones to avoid.

**“Classroom Accommodations for Dyslexic Students”** . . . . . **\$69.95**

In this one hour video, you'll learn 20 practical, no-cost accommodations that regular teachers in the mainstream classroom should use to help their dyslexic students succeed.

**Complete Set of these Videos** Buy all three videos at once and save . . . . . **\$179.95**
