Free Dyslexia Seminar

Featuring dyslexia expert, Susan Barton

Find out why bright children struggle, first with spelling, then written expression, and eventually hit a wall in reading development by third grade — if not sooner.

Susan Barton will share:

- The symptoms & causes of dyslexia
- The gifted areas that come with dyslexia
- Effective tutoring methods
- Simple classroom accommodations

Susan will also stay and answer questions.

This presentation is open to the public. Parents, teachers, principals, reading specialists, and other professionals are encouraged to attend.

**** A Certificate of attendance is available to all attendees by request.***

**** Humble ISD employees can earn professional development credit.***
